

With much regret, we inform you, due to global situation because of Covid-19, the 15th Greek Al-anon convention from 15-17 May 2020 will be cancelled.

We think this follows Al-Anon World Service Office update 28 March 2020 see (www.alanon.org), AAs decision to cancel Greek convention in May 2020 and AA world conventions in July 2020.

We thank you for your warm support, services and your willingness to participate.

Until we meet again, stay safe.

with fellowships' love

the committee of the convention
